## Help Us Help Young Carers & Win Some Money Too!

This is your opportunity to help us in raising much needed funds so St Helens Young Carers can have their childhoods back. We work intensively with over 500 6-18 year olds in St Helens who provide Care for one or both of their parents.

By helping us support these Young Carers you also have the chance of winning in our weekly lottery.

The money raised helps us run regular weekly respite sessions for the young carers and also residential holidays as many of the people we work with never get a break from their caring role let alone the opportunity to have a short break or holiday.

Each week our lottery gives you the chance to win up to £1,175\* with many £10 prizes.

\*The amount of our top prize depends upon the number of entries, for example if there are 4500 entries; the top weekly prize is £1,175 with another 130 prizes of £10. If there are 2000 entries, then the top weekly prize is £550 with another 55 prizes of £10.

When you join, we will write to you and confirm your number and upon receipt of payment your number will be entered into our weekly draw held every Monday at 11.00am (except on public holidays when it is held on the first working day following the holiday).

The first number drawn wins the top weekly prize. Winners are notified by post and a printed winners list which is displayed at the Carers Centre.

Anyone can join the lottery, providing you are over 16 years of age. You may enter more than once per week at a cost of £1 per entry.

Please help us by offering this form to your friends, relatives, neighbours and colleagues. The more people who enter, the more funds we are able to raise and the bigger the weekly prize and the number of £10 prizes!

To enter, please complete the attached Entry Form and return with either a cheque or complete the standing order.

If you pay by standing order, your entry will not begin until the first day after payment has been received.

Thank you and Good Luck!
