Adult Social Care and Health

St. Helens Council
Adult Social Care and Health Department

Resource Directory (Care Homes)

1 Introduction

The information provided in respect of individual care homes i.e. address details, service user groups, home categories, number of beds is based upon information obtained from the Care Quality Commission (CQC) and individual care homes. All care homes included on the list are registered with CQC. The home information will also indicate contact details including whether the home has an email address and whether the home is a private home (Independent) or a Council home (Local Authority).

Information on registered provision can change frequently and whilst every effort has been made, it cannot be assumed to be totally correct. You are therefore advised to check with the appropriate CQC Office to establish that the care home holds the appropriate registration, before agreeing to any placement.

You can obtain access to copy inspection reports using the link below or alternatively contacting CQC on 03000 616161

www.cqc.org.uk

2 Vacancies

The inclusion of a care home on this list does not mean that the home has vacancies at the time of enquiry. The Council will be able to give you details of any vacancies identified by care homes (contact 01744 676226 or email contractsasch@sthelens.gov.uk). However as vacancies can change daily it is recommended that you contact the care home directly for this information.

3 Care Home Standards

All care homes must, by law, be registered with CQC and are measured against a set of national minimum standards on a regular basis. This forms an overall judgement that identifies the home as:-

- 3* Excellent
- 2* Good
- 1* Adequate

The Council recognises and rewards care homes that have achieved excellent and good status.

4 Fees and Charges (including Top Ups)

The levels of funding that the Council has generally made available for care home placements for older people for 2009/2010, the Council's usual rate or base rate plus payments for achieving quality star rating, are as follows:-

Type of Home	COUNCIL PAYS (per bed, per week)			PCT
	Adequate 1*	Good 2*	Excellent 3*	
RESIDENTIAL HOME	£358.75	£373.75	£388.75	N/A
RESIDENTIAL DEMENTIA HOME	£419.22	£434.22	£449.22	N/A
NURSING HOME	£370.02	£385.02	£400.02	£106.30
NURSING DEMENTIA HOME	£421.27	£436.27	£451.27	£106.30

In respect of nursing home placements, you will be eligible for NHS funding to contribute towards the cost of your nursing care. This will be payable by the local Primary Care Trust (PCT).

The care home's charge may be over and above the amount the Council would usually be prepared to pay (the Council's usual rate). The 'difference' (so called a '**Top Up**') generally must be paid for by a third party e.g. relative or friend.

For more details about funding care in a care home you can access the Council's leaflet on 'Charging for Residential and Nursing Care' or contact the Customer Finance Team on 01744 456355.

5 Contracts

The listing below also indicates whether or not the care home has agreed and signed a contract with the Council to provide care in its home.

If the care home has a 'Yes' in the column headed 'Contract' then this indicates that it has accepted the Council's usual terms and conditions to provide care.

If the care home has a 'No' in the column headed 'Contract' then this indicates that it has not accepted the Council's usual terms and conditions. Under such circumstances, the Council, at its discretion may seek an alternative placement at another home.

All contracts must be agreed and signed before any placements can be funded by the Council

6 The Council has also produced a leaflet 'Your Choice in Care'. This is designed to help you understand the complexities of choosing a care home and offers some advice and guidance on the process.
